Hair

Using dark brown or black yarn, cut 7.5" long strips. Use small crochet hook to insert into head, form loop with single strip of yarn and pull through with hook. Pull yarn ends through loop to finish hair strands. Continue until enough hair covers head.

Add a stitch with thread to "pin" hair back as pictured below. Once head is attached to body, hair can be trimmed to even length.

To assemble, lightly stuff pants with fibrefill. Using yarn tail from top, sew onto pants, stuffing with fibrefill. Place vest over top and using stitch marker or scrap yarn, mark where sleeves should go. Remove vest, sew sleeves to top and then put vest on body.
