Round 2: ch1, sc inc in each st (24 sts)

Fasten off and leave long tail for sewing.

With embroidery needle and grey embroidery thread, stitch vertical and horizontal lines around sphere and on superlaser – to help me with some of the line stitch placement I Googled photos of the Death Star and used them as guides. I left the face area free of lines but you can add them if you like.

Optional: apply a dab of pink blush to face, as pictured.
